Greetings Tempus Fugitive!

You registered on our website so I am going to assume you have an interest in what is going on with the Tempus Fugitives over the next twelve months.

### AGE OF THE EMPEROR: THE HORUS HERESY – 12th & 13th SEPTEMBER 2009

It has been a fantastic event season this year and we are finishing on a high with the Age of the Emperor: The Horus Heresy. This exciting event continues the thrilling story that many of you enjoyed in May during our Age of the Emperor: The Great Crusade campaign weekend.

There are a handful of tickets left for this event, more details and the registration form can be found at <http://www.tempusfugitives.co.uk>. The registration form contains all the details we need to customise the event to fit in with your army. It goes without saying that the more information you can provide us, the better your experience will be. Imperial Army players in particular should tell us what Space Marine Legion they are part of as it will enable us to ensure you are fighting alongside your battle brothers!

If you have not already submitted your form, we need your registration information returned by post or e-mail by no later than August 22nd 2009. On the day you will be able to pick up a full colour printed version of the campaign packs when you hand in a copy of your armylist during registration. Finally, if you have purchased a ticket for other people who are not registered on our website, please either supply us with their e-mail addresses so that we can send them their e-ticket, or forward a copy of this e-mail to them so that they can send us their registration information.

We have a number of exciting events included as part of the weekend including a sneak preview of an upcoming Warhammer 40,000 release, more details on the next Warhammer Fantasy Battle Campaign Weekend. Additionally tickets for Age of the Emperor: The Siege of Terra Campaign Weekend will be on sale on the Friday and Saturday night and are limited to one per person.

If you have any ForgeWorld purchases you'd like to make – please give the guys at ForgeWorld a call to ensure it is available over the weekend for collection. You can also call the Warhammer World store to reserve any products you think you'll need over the weekend.

Next year looks like it will be even more exciting than 2009 with three fantastic campaign weekends spread across. I would tell you about our plans for 2011 but at this stage even I can't believe what we are looking at doing!
